

# START THE TRIAL! END THE DEBATE!

*A safer, sustainable Burrard Bridge now!*

## PEDESTRIANS' SAFETY FIRST!

A two-lane trial will make the bridge safer  
and more pleasant to walk across.

## CYCLISTS NEED ROOM TO MOVE

A two-lane trial will make the bridge safe  
for people of all ages to cycle over, and  
still give faster cyclists room to pass.

## TELL THE MAYOR!

Let Mayor Robertson and Council  
know they have your support for  
a two lane trial on the Burrard Bridge.
